

Which company in Pakistan specializes in making cable tray supports

Article Overview

IES Manufacturing, Alfazal Engineering, Electric Power Engineering (EPEPK), and H&B Engineering are leading companies in Pakistan specializing in cable tray supports and complete cable management systems.

Key Companies

1. IES Manufacturing Pakistan IES manufactures a wide range of cable trays and supports, including ladder-type and perforated trays, along with J-bolts, corner fittings, and other installation accessories. They offer products in Galvanized Iron, Stainless Steel, Aluminium, and Powder-Coated finishes, suitable for industrial sectors like power generation, chemical processing, and petroleum . 2. Alfazal Engineering / Alfazal Industry Alfazal Engineering and its sister company Alfazal Industry provide ladder, perforated, solid bottom, and wire mesh cable trays with all types of accessories. They specialize in customized engineering solutions, hot-dip galvanizing, and full installation services, ensuring durable and versatile cable management systems for industrial, commercial, and infrastructure projects . 3. Electric Power Engineering (EPEPK) EPEPK offers high-performance cable trays and supports, along with EMT conduit pipes and structural components. Their products are designed for strength, durability, and efficient cable organization, supporting industrial plants, power distribution networks, data centers, and commercial buildings. They also provide nationwide supply and engineering-grade production . 4. H&B Engineering H&B Engineering manufactures perforated, ladder, wire mesh, and solid bottom cable trays for residential, commercial, and industrial applications. They focus on durable...
