

Which manufacturer of new cable trays is the best

Article Overview

Atkore International, Legrand, Eaton, and Schneider Electric are widely recognized as top manufacturers of high-quality cable trays globally.

Leading Manufacturers

Atkore International is a global leader in cable tray systems, offering a wide range of products including galvanized, stainless steel, and custom solutions suitable for construction, industrial, and renovation projects. They are known for durability, extended warranties, and specialized solutions for petrochemical and power generation facilities. Legrand provides innovative cable management solutions, including the Cablofil wire mesh trays, which are lightweight, easy to install, and adaptable for various applications. They comply with international standards and are widely used in modern infrastructure projects. Eaton Corporation specializes in galvanized cable tray systems for industrial and commercial applications, including data centers and manufacturing plants. Their products are recognized for reliability and long-term performance. Schneider Electric offers robust cable management solutions designed for challenging industrial environments, such as oil, gas, and chemical facilities, emphasizing safety and compliance.

Other Notable Manufacturers

- Chalfant Manufacturing: Known for innovative self-connecting and walkable tray lines, with over 70 years of experience
