

Who are the suppliers of cable trays in New Zealand

Article Overview

New Zealand has a range of cable tray suppliers, from general electrical distributors to specialized manufacturers offering full project support.

Key Suppliers

1. Ideal Electrical Suppliers Limited Ideal Electrical has been serving New Zealand since 1936 and stocks a wide range of electrical products, including cable trays. They offer online shopping and have stores across the country, making them accessible for both small and large projects . 2. Scott Electrical Scott Electrical provides an extensive selection of cable trays and related products, with distribution across Auckland and nationwide. They cater to both commercial and residential electrical needs . 3. Equip Supply Ltd Equip Supply specializes in Stern Cable Trays, offering durable steel trays for commercial and industrial projects. Their products are designed for easy installation and efficient cable management, and they provide online purchasing options . 4. Steel & Tube Steel & Tube offers a full range of cable trays and ladders suitable for all cable containment needs. They provide project support including take-offs from plans, quotations, and access to BIM-enabled 2D and 3D CAD details, making them suitable for large-scale construction projects . 5. Mechanical Support Systems (MSS) MSS is a leading New Zealand manufacturer and supplier of complete cable containment systems. They design, manufacture, and install trays, ladders, baskets, and framing for commercial, industrial, and infrastructure projects. MSS also provides BIM modeling, seismic-compliant designs, and professional installation services. Their products are locally manufactured using...
